

D&D Barry is proud to announce the opening of our new office located in Mount Waverley, Melbourne.

This office will be run by Jim O'Dea who has had many years experience in Engineering both in manufacturing and sales.

Jim has an excellent knowledge of Standard Parts having sold the Elesa + Ganter range previously as a distributor, and as former factory manager for Samuel Osborn, he also has a trade background in Cutting tools.

Our Melbourne office will enable us to provide an excellent level of service and support to not only Victoria but also South Australia, Tasmania, Western Australia and the Northern Territory.

We look forward to enhancing our relationship with our valued customers into the future.

The contact details for Melbourne are :
